Flying Cadet Board  
Richards Field  
Fairfax Air Port  
Kansas City, Kansas

Gentlemen:

I desire to recommend to you, Mr. Paul Lewis White of Garden City, Kansas, a member of this year's 1941 graduating class at the University of Kansas.

Paul is receiving his B.S. degree in Education. Paul is twenty-four years of age and has been a member of the Varsity football and swimming team during his three competitive years in college.

As captain of the Varsity swimming team and as a member of that team, has been most outstanding. He has broken many University swimming records.

I have had Paul White in my classes and find him an earnest, mature and purposeful young man. I'm sure that if he is fortunate enough to be selected by your Board, that he will give an excellent account of himself.

Standing better than six foot and weighting nearly two hundred pounds, Paul impresses an individual most favorably. He has no bad habits and knows the meaning of the word, "loyalty".

I'm happy to recommend him to you.

Very cordially yours,

Director of Physical Education and  
Recreation-Varsity Basketball and  
Baseball Coach.
