Associate Guidance Officer  
Office of Indian Affairs  
Washington, D. C.

Dear Mrs. Bronson:

I am very happy to write you concerning Albert Wabaunsee, a senior student in our University of Kansas. As head of the Department of Physical Education at the University here, I have come into close contact with Albert Wabaunsee having had him in two of my academic classes. At the present time he is playing second base on our varsity baseball team. I am the coach of the baseball team.

I know Albert very well and I find him to be a very honest, sincere, and dependable young man. He is clean, personable, and has a definite desire to succeed. He is energetic, has a fine sense of humor, and it is my opinion that he is a very safe and valuable young man to deal with young people. I would recommend him to you without reservation and I firmly believe that he would be a fine example for Indian youth.

Over thirty years ago I coached at Haskell Institute and I learned to know the fine qualities in Indian youth. I would say that Albert Wabaunsee has all of these admirable qualities that I found so desirable in outstanding young men at Haskell Institute.

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
