

Application

May 6th, 1941

Mr. Maurice Cannady
2232 Vermont
Lawrence, Kansas

Dear Maurice:

I finally got around to the chore which was a pleasure but it was delayed because of other things crowding it out.

I trust that you're highly successful in your quest. I know you'll do a great job. I'm always as strong as horseradish for you, Maurice.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
