Mr. Kirk Owen
1403 Cherokee Street
Denver, Colorado

Dear Kirk:

I am writing you a letter addressed To Whom it May Concern, but these letters are never as strong as a letter dictated to a definite party. For that reason I am hoping that my letter will be helpful but I am afraid not as forceful as it would have been had it been directed to the firm concerned.

I note you have not been home for a long time. Topeka is still a good town because I was there last week on the Kansas High School Coaching set-up, and I am very fond of Topeka.

Thanks for the good wishes, and I will pass the good word along to Mrs. Allen and the family. By the way, Bob was in Colorado for two and one-half weeks. He didn't even get to see Dick Wells. Dick tried to get in touch with him but Bob was out recuperating from three strenuous winters and three strenuous summers of study. Dick was trying to get some enthusiasm about attending the University of Kansas.

We are leaving tomorrow morning for Louisville to visit Mary and the grandchildren. All the Allens will be there except Bob. He is staying in Lawrence and getting ready for the big push.

You can always count on me at any time, Kirk. It will be a pleasure to assist you in any way possible.

With all good wishes.

Fraternally yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
