To Whom it May Concerns:

Mr. Kirk Owen of Denver, Colorado has asked me to write a letter concerning his character, qualifications and his ability.

I have known Mr. Owen for seven years. His father is an outstanding physician in Topeka, Kansas and Kirk comes from an excellent family. He attended the University of Kansas and played on my varsity basketball team. He is clean, capable and resourceful; his integrity and loyalty are unquestioned, and in my opinion he would be an especially safe and valuable young man to be attached to some firm or corporation.

I am happy to recommend Kirk Owen without reservation or evasion. I have great confidence in him. In addition to a fine physique, he has a most pleasing personality.

Very cordially yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
