

June 3, 1940.

Mr. J. Cloyd Miller,
Superintendent of Schools,
Denning, New Mexico.

Dear Superintendent Miller:

I understand from Mr. Ernst Uhrlaub, a graduate of the University of Kansas, that he has applied for a position in your school.

Mr. Uhrlaub received his A. B. degree at the University of Kansas in 1921. He was captain of my varsity basketball team that year. In addition to that, he played three years on the varsity baseball team, serving as pitcher. He made an outstanding success both in basketball and baseball.

He returned last fall to take his master's degree in Education. While doing this work he served as my freshman basketball coach and assisted me in varsity basketball. This spring he has coached the varsity tennis team.

Mr. Uhrlaub is very clean in his habits, not using narcotics nor alcoholics in any form. He is an excellent man to deal with young people. His is not of the mere accidental type, but is founded upon experience and study. I am very glad to recommend him to you without reservation, and I am very sure that if you are successful in obtaining his services you will be highly pleased with him from the angle of teacher, adviser, and an example to young men.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
