

July 12, 1940.

Mr. Frank Radmaker,
Onalaska High School,
Onalaska, Washington.

Dear Mr. Radmaker:

Your letter of July 8th announcing an emergency vacancy in your high school has come to my attention.

I am very happy to recommend to you Mr. Ernst Uhrlaub, of Lawrence, who has just received his Master's degree in physical education. Mr. Uhrlaub was captain of my varsity basketball team in 1921, the year that he received his A. B. degree from the University of Kansas.

Mr. Uhrlaub did basketball and track coaching first at Arkansas City High School, and then at the Salina, Kansas, high school. He has had a long background in high school sports, and this year while he was taking his Master's degree he was my freshman basketball coach at the University, and he also assisted me with the varsity team.

He is a very clean individual. He does not use narcotics or alcoholics in any form. He is an especially safe and valuable young man to deal with young people. He is an exceptional golfer and a fine tennis player. He was an outstanding pitcher on the varsity baseball team during his undergraduate days. Mr. Uhrlaub is a tall, wiry, angular type of athlete who has not allowed himself to grow obese during his teaching and coaching regime. I am very sure that if you are successful in obtaining Mr. Uhrlaub's services you will be highly pleased with him as a teacher, coach, and fine example to young men.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
