My dear Dr. Allen:

Mr. James Hight has applied for a position as an orderly in this hospital and tells me that you are acquainted with him. Would you be kind enough to tell me whether this young man is honest and industrious, and whether you think he can perform the work of an orderly with credit?

Any information that you might be able to give me about Mr. Hight will be appreciated and kept in confidence.

Very sincerely yours,

Henrietta Froehlke, R.N.
