Dear Doctor:

Mr. Hobson, coach of the Oregon Basketball Team, asked me to get in touch with you about the possibility of playing a game with your team at Lawrence between the 26th and 28th of December, 1939. That will be on their way home from playing at the Garden at New York.

I saw Mr. Hobson a week ago, and he wanted to be sure to find out about these dates if at all possible.

Trusting you will do as you see fit concerning this matter. I am looking forward to seeing you sometime this fall. With kindest personal regards, I am,

Cordially yours,

Chuck Hyatt
