January 25, 1938.

Professor Bert Nash,
School of Education.

Dear Professor Nash:

Thank you very much for your good letter of the 18th instant saying that you will be glad to collaborate with us in our "Physical Education for Health" program.

It will be a few weeks before we get our spring series lined up, but I want you to know I appreciate your responding favorably. You will hear from me within the near future. Thank you very much.

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
