

to be considered — difference  
in tuition and out of state  
fees, which I like the better,  
etc. I hope that all those  
factors will point to A.M.  
Big Ten basketball would  
be great, but I'd rather  
play for Phog Allen.

Of course, that is assuming  
that the medical school  
will accept my credits.

I will get a few days  
delayed orders so will be  
seeing you around the 19<sup>th</sup>  
or 20<sup>th</sup> of October.

Sincerely,

Lardon
