Dear Dr. Allen,

It was so good to see you and your dear family the last two Sundays! I know how thrilled you are to have Mrs Allen home again — but I will certainly miss our Sunday afternoon visits. As soon as it is at all possible we want to come up to Lawrence, and we will certainly drop in to see you. My, I surely hope Eleanor gets home soon — I, like the rest of the family, miss her terribly!

Dr Allen, — are there any KU-MU football tickets available in Lawrence? Our family just awakened to the fact of the short interval of time between now and the kick-off at Rupert Stadium. I have tried to get ahold of tickets here in Kansas City but they seem to be all gone. We need six (6) — for Mother, Dad, my sister Fran and her husband (he just got out of the Army!), Art and me. We certainly appreciate your help, for we know how busy you are and how many requests you receive. We all send our very best to our favorite family!

Love,
Deely Jeanne
