Mr. A. G. Reynolds,
120 No. Ingalls,
Ann Arbor, Michigan.

Dear Gord:

I am sorry that I have delayed even as long as I have in answering your request for a letter of recommendation. The whistle has just blown for a class, but Mrs. Hulteen is taking this short dication, so anxious am I to get this letter to you without further delay.

It will be a pleasure for me to recommend you most highly. And you know that you will always be welcome as one of the key men on my varsity basketball squad.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
