

I saw Dr. Stohand and it
seems possible that I could transfer
to K.A. at the end of my freshman year.
But by that time I probably couldn't
make your "scrubbish" team.

I played on a "war team" and I know
it.

There is no immediate rush
on that letter. By the first of December
would be plenty soon enough.

Thanking you very much,

I remain,

Very Respectfully yours,
