ROOSEVELT HIGH SCHOOL  
ST. LOUIS, MISSOURI

March 26, 1946

Dear Doc:

Congratulations on another very wonderful season. Too bad that you had to run into the giant from Jennings twice this season.

In reply to your last letter Fred Reck has already moved to Davenport but I'm certain that we can direct him to K.C. His mother is a Kansas City girl and of course is quite familiar with K.C. I may bring him out to the relays. Of course you know that he is only a junior in school. The rest of my team is also made up of juniors. If you come to the P. E. convention you can meet them all. If not you can look them over another time. If you attend the national convention please let me know so that we can spend some time together.

With best wishes for you & yours.

I remain as ever

Art P. Reck
