Dear "Doc":

It has been a long time since I have written you. I think the last time was probably back in 1941 when I wrote asking for information regarding your accomplishments, which was to be used in a new Goal-Hi catalog. Due to conditions at that time, the catalog was never printed, and now that things are getting back to normal it has been revived.

I am attaching hereto the letter which you wrote me on January 24, 1941, and ask that you please bring this information up to date.

You will note from the letter-head that I am no longer connected with Medart; but I am now operating as an advertising agency, handling the Medart account.

Please let me have this information just as soon as it is convenient. Kindest personal regards.

Yours very truly,

HEBERT-ROBINSON
