Mr. Jim Rarden
149 New Montgomery
San Francisco, California

Dear Mr. Rarden:

Dr. Allen is on his way to Norman, Oklahoma, where he will scout the Oklahoma Aggie-Oklahoma basketball game tonight, but he asked me to write you in answer to your letter of March 6.

At the present time there is no opening here at the University of Kansas. Before Dr. Allen can help you, you will have to write him more fully as to where you expect to stay (in California or elsewhere), your qualifications, and other such information. Also, advise him whether you want high school work or college work.

Dr. Allen would also advise you to check up on your teaching certificate and see that it is all in order, as they are very stringent on this point.

With all good wishes, I am

Sincerely,

MF

Secretary to Dr. Allen
