Hello Dr. Allen,

I am living out here in California and out of service. I am looking for a coaching job, do you know of any? If you do please advise. I am with the R F C and you can write me here, San Fransisco 149 New Montgomery.

I am going on my annual pilgrimage the last week in April, so write before then. Hope every thing is fine at Mt. Oread. The best of wishes and luck to you and family,

sincerely

Jim Barden
