Dear Betty Jean:

As you have probably read in the paper, Mr. Falkenstein, our Financial Secretary, ordered 3,000 tickets and at the first two days' rush here reservations were made for 3,500, so Mr. Falkenstein refused to accept any more applications until he could get tickets to fill his orders.

I understand that the tickets have just arrived at the Municipal Auditorium. I suggest that you go over there and get your tickets at the box office at your earliest convenience. They are in the name of either Dr. Art Robinson or Betty Jean Robinson.

If you have the least bit difficulty, call for Mr. Clyde Baker, but I am sure everything will be okay.

Sincerely,
