Lawrence, Kansas.

Dear Bun and Ruth:

The coaching staff and employees of the Athletic Association wish to congratulate you two on this very auspicious occasion, the twenty-fifth anniversary of your marriage. We are decidedly sorry we will not be in town on Saturday, the 23rd, so that we might call at your home and extend to you our personal greetings.

We do want you to know that your loyalty and long service to us here at the University are deeply appreciated. You have been courteous, cooperative and friendly in all the endeavors of the Athletic Department. In fact, you are one of our staff and we wish you and Ruth a continued long and happy life. Personal relations and associations are worth much when the respect and confidence are mutual.

The boys all hold you in the highest esteem, Bun, and are proud to have you as one of us.

Sincerely yours,
