Lawrence, Kansas

Dear Phog:

Just a few lines from your former Sunday school student of the Union Class. I read your statement to the effect that gamblers were moving in on basketball. It makes me mighty proud to know a man that will attempt to abolish this sort of thing. Your lessons in the Union Class taught courage, and you are practicing it as well as teaching it. Best of luck.

Sincerely

A handwritten signature in dark ink, appearing to read "Donald R. Roberts". The signature is fluid and cursive, with a prominent flourish at the end.

Donald R. Roberts
