Mr. John Redmond,
Editor and Publisher,
The Daily Republican,
Burlington, Kansas.

Dear John:

I have been intending to answer your two communications of April 8 and 9, and I have left them on my desk until I could find the time.

We formerly handled all of this publicity and mat stuff out of our office, but the publicity man wanted to handle it his way, and when we had Wayne Davidson here he did a swell job. Since he left there has been a little difficulty and we think we will go back to our original scheme.

We could have had that stuff to you pronto if we had handled it our own way, but we did not know of the difficulties that were encountered until you wrote. However, I believe that your calling our attention to this has resulted in our going back to our old scheme, so we thank you for showing us the break in the liaison.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
