Dear Major Les:

I'll tell you what I will do. I will write to the Superintendent of Schools at Kansas City, Kansas, and Kansas City, Missouri, as I know both superintendents very well, and see if I can't do something for you in one of these two cities.

The salaries are pretty good now, and I am hoping that we can connect for you. You can be assured of my sincere cooperation in endeavoring to land you in something you would like. Keep after me if I appear to not be too energetic. I sometimes get covered up with masses of detail concerning other things. I would like to help you.

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
