

April 7, 1945.

Honorable Charles B. Russell,
Mayer of Lawrence,
Lawrence, Kansas.

Dear Mayor Charlie:

I have had no direct information as to when the City Council will meet, but I am told that they will meet the first Monday after election.

I regret to advise you that I will be in Stockton, Kansas, on Monday and Tuesday, and in Grinnell, Kansas, on Wednesday, and in Salina on Thursday, for speeches in the "grapefruit and lettuce league". I am speaking to high school basketball teams and Rotary clubs. Someone has said that when three Americans get together we will have speeches.

I trust that in the very near future I will arrange it so we will have no conflicts with your Council meetings, as I deem them very important, but not knowing much about the arrangement heretofore, I had previously signed up for speaking dates.

I pledge you my loyal cooperation.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
