

I greatly appreciate having
met those whom I met
the day I left. I hope
Mrs. Allen is feeling rested
and that your daughter
and grand-daughter are as
fine as when I saw them.

My son-in-law is a
great basket. The first thing he
said was, "What would I
give to say I had shaken
hands with 'Phog' Allen!"
You see I am quite envious.

Thank you again for
having made this experience
possible. Sincerely
(Mrs. R.R.) Louise Reynolds
