Mr. Don Spencer,
101 Park Avenue,
New York, N. Y.

Dear Mr. Spencer:

Your special delivery air mail letter arrived at my home last evening. I am sorry to state that it will be impossible for us to schedule any additional basketball games for this year as our schedule of twenty games is filled. We are not permitted by our conference rule to play more than twenty games in a season.

Perhaps next year we might arrange a trip in your direction.

I will be happy to know how you pan out in the way of attendance and guarantees for this year, and maybe we can make some arrangements for next year.

Thanking you for your inquiry, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
