Dear Fog,

How are you? I'm fine
How do you think the basket-
ball team is this year? I
saw about you beating
Ft. Leavenworth I sure am
happy. In school our coach
chose the 43 best players out
of the 7a and 8B (I'm a 8B) and
six of those to be basketball
captains. I'm one of the captains
I think I have a pretty good
team. Would you please
send me a schedule of
your games if you have
any? Tell Mrs. Allen hello
for me.

Sincerely

Jeno Ratner -
