Master Teno Ratner,
236 N. Pershing,
Wichita, Kansas.

Dear Teno:

Congratulations on your selection to the captaincy of one of the SB teams. I hope you win most of your games if not all of them. It is a pretty difficult assignment to win them all.

I am sending you several basketball schedules and I am also sending you a Jayhawk Rebounds for your Dad and Mom to learn the whereabouts of the Kansas team and the Allen gang.

Give my kindest regards to your folks, and remember I am always wishing you lots of good luck in addition to a very Merry Christmas and a Happy New Year for the Ratners.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
