Dear Private Russell:

In answer to your inquiry of the 11th concerning the dimensions of the intramural football field, I beg to state that our field is 260 feet by 160 feet. It is 200 feet from goal line to goal line. I am sorry that we do not have any new rules available. Our intramural program will not start here, for the civilian students, until after the first of November.

Very sincerely yours,
