Dear Bill:

We are glad to have your short note this morning and happy indeed to know that you enjoyed the Rebounds.

Kansas had her first football rally this morning in front of Robinson Gymnasium, and Coaches Shenk and Schaake made very interesting talks to the small assembled group of civilian and uniformed men, both in olive drab and blue. The old Rock Chalk sounded good, and I know that you would have enjoyed being here just to look over this young group of hopefuls. Kansas always comes up with a fine looking student body.

We are playing Iowa State tomorrow and the dope is against us, but people who watched the football boys in action are greatly impressed with the way they are coming along.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
