

happy to have the opportunity  
of seeing the great K U basket-  
ball team in action, because  
I have talked of them so much.  
Victor was especially interested,  
because he used to play b. b.  
in Paris. The game must have  
been different, though.

Best regards for 1943  
and always. "Hello" to Mrs. Hulteen.

Sincerely,

Walter.
