Mr. Wayne Replogle,
University of Kansas.

Dear Bill:

I want you to know how much we have enjoyed and further, how much we have appreciated your splendid contribution to our physical conditioning course. Your loyalty, your sense of fairness, your enthusiasm and good fellowship have meant much to us in shaping this difficult program.

Fellows like you don't come a dime a dozen. They are exceptional. And in your going into the armed forces I want you to know that we have always admired you and now we are under debt to you. You have done a swell job, Bill, and the boys under you have profited much.

Our good wishes and prayers will be with you.
Good luck, old fellow!

Appreciatively yours,
