change if it helps him. I am a graduate of  
Rochester, Pa., High and attended Duquesne University  
at Pittsburgh.

I was talking with the Superintendent of  
our Company and he said I could obtain a release  
providing I get work in a different climate. As  
far as references are concerned - I'm not worried  
and I know my work has been satisfactory as  
far as the officials of this Company are concerned.

Mr. Allen, I would appreciate you writing  
me a letter and telling me if you think there  
is some kind of work I might get into -  
out that way. If you could let me know of  
some Companies or firms - I'll gladly contact  
them.

To let you know more about myself -  
in a basketball way - I belong to the National  
Board, Beaver Valley Basketball Officials' Assn., +  
the Penna. Interscholastic Athletic Assn. I work both  
High School and College ball.

Hoping this letter hasn't asked too  
much of you + won't cause any inconvenience,  
I am,
