Dr. F. C. Allen
Kansas University
Lawrence, Kansas

Dear Mr. Allen:

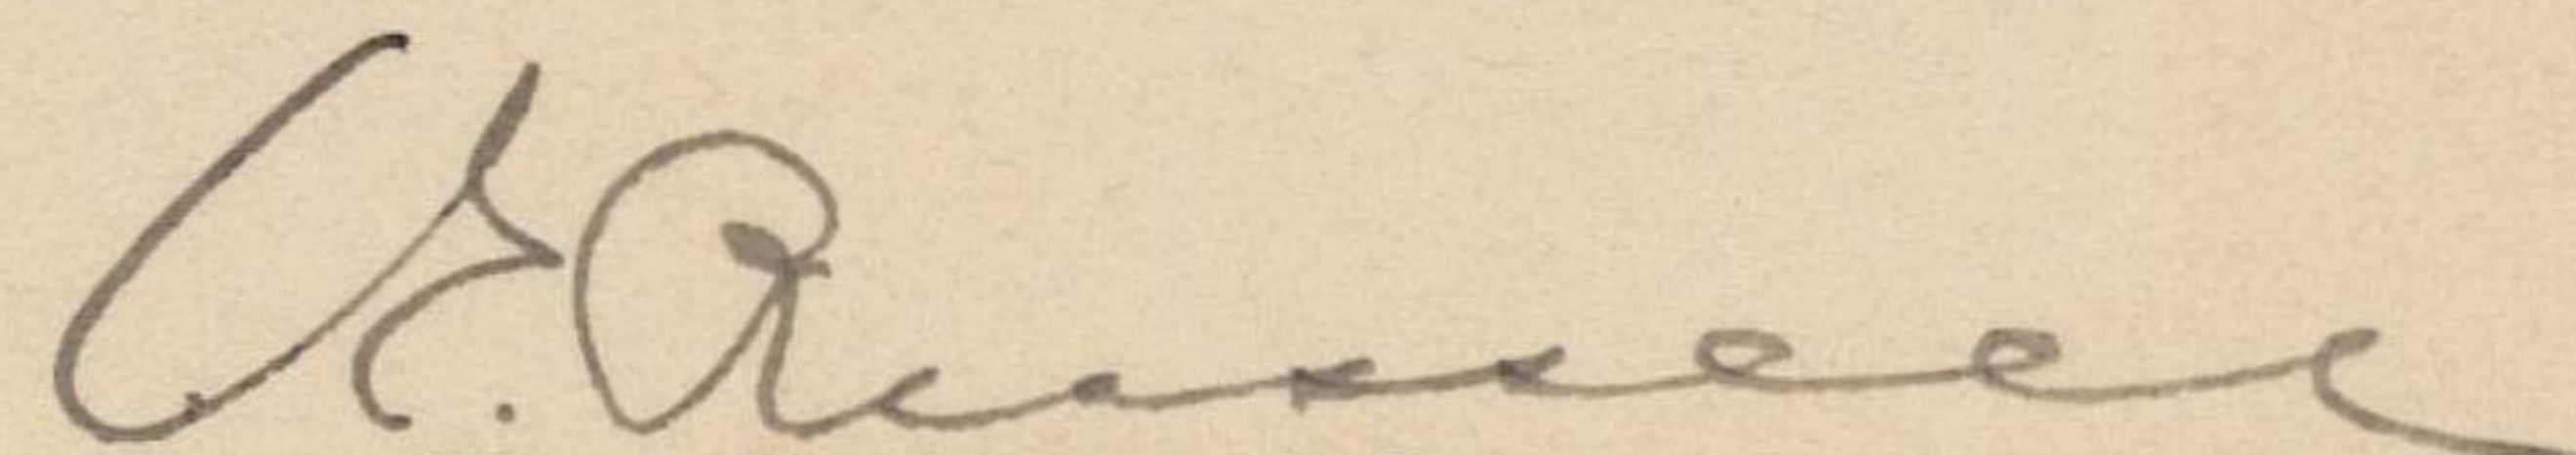

Please accept my sincere congratulations upon the award you recently received being selected No. 1 basketball coach for the nation.

Needless to say, I agree with that award thoroughly. Mrs. Russell and I have been enthusiastic basketball fans for a good many years and we have always admired your policies not only so far as it applies to the game itself, but to your boys as well.

Up until gasoline rationing went into effect, we seldom missed a university game played in Lawrence. In fact, during the time our son, C. E., Jr., has been in the university we have not missed a game until this year.

We also wish to congratulate you on your fine season this year and trust you will be able to complete your schedule without a single game lost.

Most sincerely yours,

C. E. Russell
