

the winning of the war
but in making plans
for the future for what
portion of work I might
be able to do to add
to beloved Kansas & K.C.
I'm in love with that
place, Doc, and I ~~was~~
that I'd give my life
to see it prosper &
become the Nation's
most perfect University.
It can be done & it will
be done - believe me -

Forgive my hurried note
I'll supplant this with a
later edition

Best regards
