Dr. Forrest Allen,
Kansas University,
Lawrence, Kansas.

Dear Forrest:

Paul S. Kelly, a lawyer and a very good friend of mine, has a son who played forward on the Rockhurst High School basket ball team last season and whom I consider a very good prospect. The boy is very desirous of playing under you and I believe his father feels the same way about it.

On your next visit to Kansas City, I wish you would contact me so that we could get in touch with his father, as I would like to see him go to K.U. The boy's name is Paul S. Kelly, Jr.

Hoping to see you soon, I remain,

Sincerely yours,

Joe Reilly
