The Basketball Coach
University of Kansas
Lawerence, Kansas

Dear Sir:

Would it be possible for your basket-
ball team to stop in Joliet, while you are
in the Midwest, for an exhibition game with
our team?

We have one of the finest floors in the
country, and the people of Joliet would ap-
preciate seeing your team in action. We are
only forty miles from Chicago.

suarante?

Sincerely yours,

A.A. Wills
