Dr. Forrest C. Allen
Dept. of Physical Education

Dear Dr. Allen:

I have asked my secretary to let you have the hall on the afternoons of Monday, Tuesday and Wednesday preceding the Christmas Vespers. You are entitled to that also, and welcome to it, if you wish, on the following Thursday in the afternoon as we shall be doing our rehearsing in the evening.

Here's hoping you have the best season of your career in every way in basketball and your other activities.

Kind regards,

Cordially yours,

D. M. Swarthout
Dean
