Mr. LeRoy C. Mounday,
1st Lt. Cavalry,
Athletic Officer,
Fort Riley, Kansas.

Dear Lieutenant Mounday:

We have a freshman basketball team that would be very happy to play your team if it is at all possible. Since we are limited in the matter of financial expenditure, I am wondering just how much it would take to get your boys here. Do you have an Army truck or bus that you could bring them in?

We could keep you in fraternity houses to cut down expense.

We could play early enough in the evening so that you could get back to the Fort the same night.

Awaiting your reply, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
