

December 11, 1941.

Members of Company M,
127th Infantry,
Camp Robinson, Arkansas.

Dear Sirs:

I am in receipt of your letter of recent date in which you state that your company has neither basketballs nor footballs.

I have taken up the matter with Mr. Gwinn Henry, Director of Athletics at the University of Kansas, and regret that we have no athletic equipment on hand which would be available for your use. By the time our teams are through using the balls they are in such bad condition that they are no longer useable.

I am sorry that we are unable to help you, and assure you that if it was at all possible we would be happy to assist you in your recreational program.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
