Mr. Julian Ralston,  
920 Bitting Bldg.,  
Wichita, Kansas.

Dear Julian:

Thank you very much for your good letter. Get all the dope you can on any angle. The Oklahoma people are going to make it tough, and I don't want Oklahoma to get out of this mess lily-white. So get data that we can bank on.

We will be in Wichita on Monday at the Allis Hotel, and I hope to see you there.

Very sincerely yours,
