Mr. Fred J. Rooney,  
1647 E. 73rd St.,  
Cleveland, Ohio.

Dear Mr. Rooney:

Your letter addressed to Basketball Coach, Kansas State University, has come to my attention.

Kansas State College, whose basketball team played Washington State, is located at Manhattan, Kansas, and the State University of Kansas is at Lawrence. However, we were able to secure information on the scores of their game, and I am happy to send it to you. Washington State 47, Kansas State 22.

Mr. Jack Gardner is the basketball coach at Kansas State College, Manhattan, if you should care to communicate with him.

Very sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.
