Dr A. C. Allen
Dir. of Physical Education
University of Kansas
Lawrence, Kansas

Dear Phog -

I received your letter this morning forwarded from N.A.S. Pensacola. I was very glad to hear from you. I can readily see that you don't have much spare time.

I was transferred here for my advanced training. I received carrier duty. I don't know yet whether they'll keep ^{me} as an instructor or ship me to the Fleet. It really doesn't make much difference to me. I arrived here last Fri. (Apr 4th). We are treated so much more like men here than we were at Pensacola. That place is more or less like I would imagine a military academy to be.

I'm glad to hear that Bob made Phi Beta Kappa. Please extend him my congratulations. I hope if that if I ever have a boy he will be as good a scholar and athlete as Bobby.

I saw your Goal-Hi goal at Pensacola after I had written to you. Unfortunately during athletics I was nearly a half mile off playing touch football. Touch football played correctly makes a nice game, but in order to keep us from receiving any injuries, it was just a bit dull. Getting back to the subject, I don't know how it (goal-hi) went over there. I didn't happen to hear any comments on it.

^{both} Bill Arnold and Glen Joy were doing all right when I left Pensacola. There was quite a number of K. U. boys there. Glen and I were in a bowling league there. We bowled every Wednesday night. The

team with which I played had as its captain one of the most consistent and best bowlers on the base. He nearly always bowled in the 180's. Sometimes he would get ten pins on either side of that. My bowling is very inconsistent. I bowled one game of 216, several in 190 and from there on down to around 130. Nearly every night I would have a 130 and then jump to 170 the next game. My avg ranged between 149 and 153. I enjoyed it very much. There are a lot of open alleys down here. I haven't stopped to bowl yet though.

I'm glad to hear that the basketball prospects for next year are so good.

I'm also glad that you like Bill so well. He is certainly by far the best brother a fellow could have. I'd be more of a punk than I am right now but for him.

How is Mrs. Hutten? What is she doing now? She was a mighty fine woman. If you should see her, please give her my regards.

I had my instructor's stunt check Friday. We have to do 2 loops, 2 right slow rolls, 2 left slow rolls, 1 right snap roll, 1 left snap roll, and 1 spin to the right and 1 to the left. It has to be completed in five minutes. Each person comes on the range at a given time and must get off by the end of five minutes whether he's finished or not. I just did finish mine. I was very lucky. I did them the best I ever had. I received a 3.38 out of a possible 4.00 on them. It so happened that that was the best in my flight. I have my final stunt check tomorrow. In it we have a right and a left Immelman turn instead of the spins. I can't seem to get an Immelman done for some reason. We do these in a single-seater fighter built by Grumman. The instructor reclines on a special built chair

on the ground. We do them at 4,000'
over the field.

With good luck, I will finish
here in about five weeks. If conditions
don't get any worse, I'll be through
Lawrence during my leave. I hope
I get to see you while I'm there. We
get about 15 days.

Until that time, I remain,

Sincerely yours,

Max Leplogle
U.S.A. Miami, Fla.

Dr. Forrest C. Allen
University of Kansas
Lawrence, Kansas

Dear Phog:

Under separate cover I am sending you a copy of the BLACK AND GOLD.
On Page 10, you will find the material on the study I made.

Basketball wasn't the only sport involved in the study. As a result of the study, the junior high schools of Cleveland gave up their interscholastic competitive program.

With personal regards, I am

Sincerely yours

Floyd

Mr. T. C. Ryther, Director,
University of Kansas Press.

Dear Mr. Ryther:

Congratulations on the progressive step in re-naming the printing department of the University. I have often wondered why it should not be the University Press. It is certainly more dignified and impressive. It is significant of the fine institution.

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

May 5th, 1941

Mr. & Mrs. Lucian Baker Rutherford
Leavenworth, Kansas

Dear Lucian and Mrs. Rutherford:

This will acknowledge receipt of your good letter. While the services rendered Connie were no more than I was only too happy to be able to do, nevertheless, your gratefulness is sincerely appreciated.

Mrs. Allen and I desire to thank you for your kindness in sending us the luscious box of Mrs. Stover's Candies. Bob, Eleanor, Mrs. Allen and myself enjoyed the candy very much. However, I assure you it was not at necessary as it is a pleasure to give your kind any service in our small administration. We have had six children and any kindness shown to them always wins the eternal gratitude of their parents. Therefore, I was most happy to extend this small courtesy.

I have every reason to believe that Connie will derive much benefit from her treatments and I sincerely trust that she will be able, very shortly, to continue her practice sessions.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.

FCA:rc

LUCIEN B. RUTHERFORD
ATTORNEY AT LAW
TIMES BUILDING
LEAVENWORTH, KANSAS

May 3, 1941.

Dr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas,

My Dear Phog:-

This is a hard letter for me to write because Mrs. Rutherford and I are so very grateful to you for your kindness in examining Connie and directing the course of treatment she should have and I know before I start that nothing I can or will say here will adequately express that gratitude.

and Connie told her mother yesterday how wonderfully you treated her, we feel that the battle is half won already because she has so much confidence in you and is so assured that the treatment suggested by you will correct her trouble.

We have been so worried about the girl for over a year and the doctor's guessing and prescriptions did not produce the desired results. As I explained to you the day I talked to you, Connie is a violin major and naturally we would like for her to get her degree next year and we are hopeful that the treatment prescribed by you will make that possible, although she and we can and will forgo that satisfaction if, in your opinion, she should not play the violin so much hereafter. Connie is quite ambitious and I believe that Prof. Gelch will tell you she has considerable talent.

When I came over to talk to you about Connie it was with the intention of paying you as I would anyone else and I am considerably embarrassed by your refusal to accept a fee. Naturally, we all are deeply indebted to you and I sincerely hope that you will give me the opportunity some day to do something for you in return.

Please accept this expression of gratitude and thanks until I can see you and personally thank you for Connie, Mrs. Rutherford and myself.

As ever,

Lucien B. Rutherford.

August 26, 1941.

Mr. Bob Raugh,
Troutdale in the Pines,
Evergreen, Colorado.

Dear Bob:

Upon my return from the Iowa High School Coaches Association coaching school, I find your letter of the 16th instant on my desk. I note that you plan to work at the hotel until a few days after the closing date, September 1.

It will not be necessary for you to get here before September 10th, so you take your own good time in arriving. We will be glad to welcome you and make arrangements when you come in.

I am glad that you and Mrs. Raugh had a fine summer at Troutdale. By the way, rather an interesting thing came up in the plans for my daughter's honeymoon trip. Jane is marrying Elwood Mons of Chicago here in Lawrence on September 6. She told me that they had planned to stop at Troutdale in the Pines, so I took your letter home to inform her that the place would be closed. She, of course, had that information and they are planning to go to Estes Park. Had their wedding taken place sooner I would have had the pleasure of knowing that they were vacationing at a very fine place and that you would have looked after their wants. But their late date made this plan subject to change.

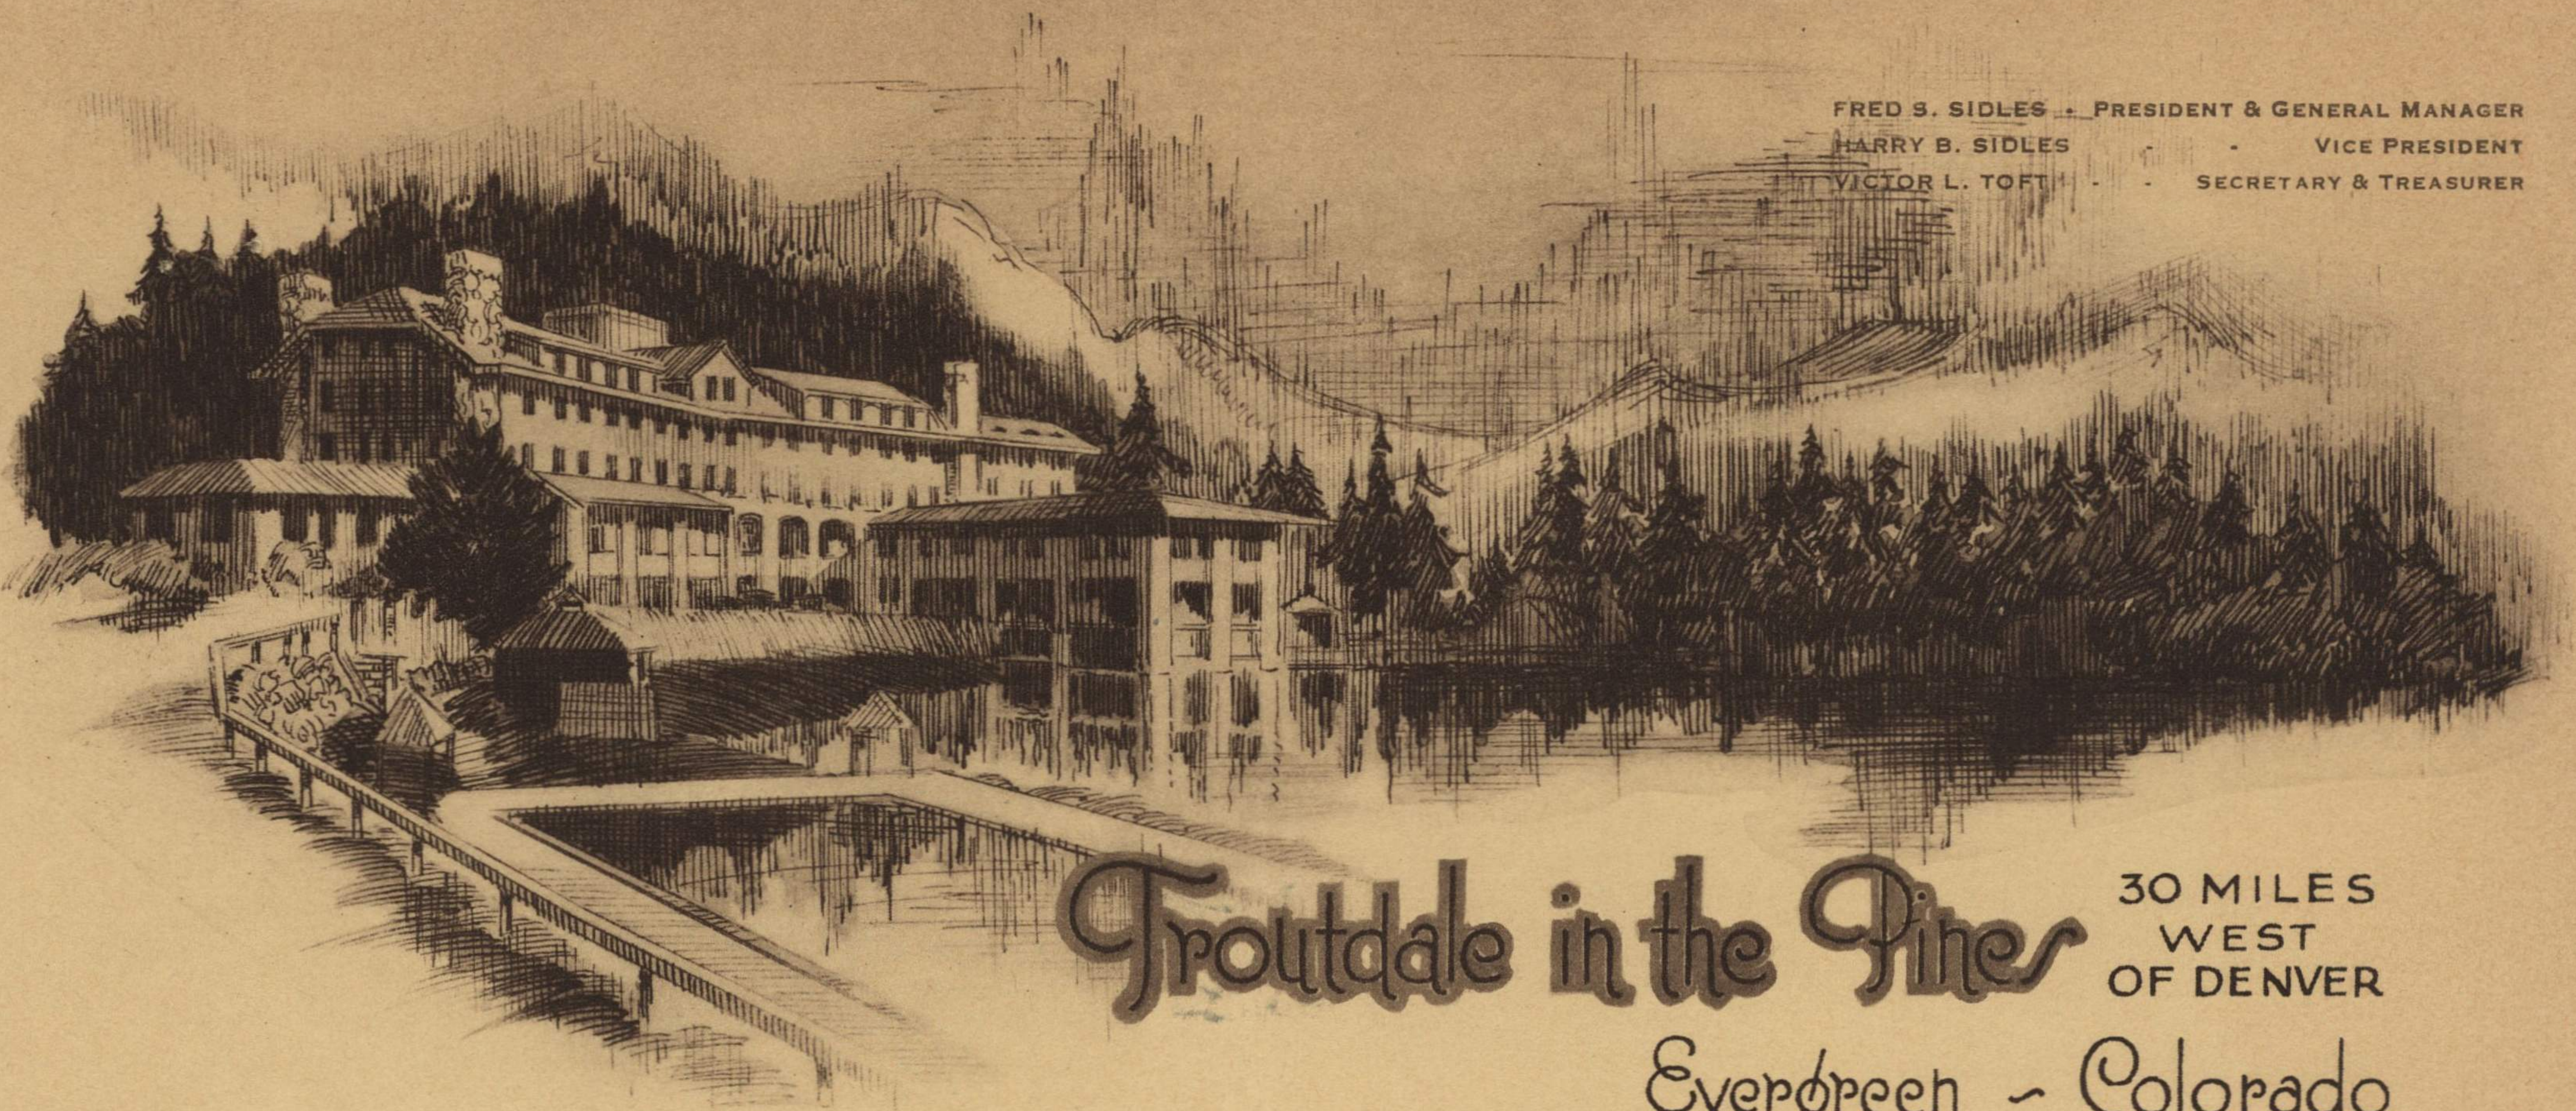

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I have received an information card from the Board of Regents of the University of Kansas, informing me of my appointment. I want to thank you for giving me this fine opportunity to work on my Master's degree.

We plan to work here at the hotel until a few days after the closing day, September 1st. However, if you deem it necessary for me to report to you in Lawrence before that time, I can easily make arrangements to do so. Will you kindly advise me when to report to you.

We have enjoyed a fine summer here at Troutdale but are looking forward to the coming year at Lawrence. Should you happen out this way, please look us up.

With kindest personal regards, I am,

Your very sincerely,

Bob Raugh

Bob Raugh

August 18, 1941.

Mr. R. W. Raugh,
Troutdale in the Pines,
Evergreen, Colorado.

Dear Mr. Raugh:

Dr. Allen left last week-end for Boone, Iowa, where he is engaged in a coaching school sponsored by the Iowa High School Athletic Association. He will return to Lawrence about the 23rd of August, at which time your letter of the 16th will be brought to his attention.

Enrollment takes place here at the University on the 15th and 16th of September, so I doubt if it will be necessary for you to report here before your work at the hotel is finished. However, Dr. Allen will advise you on the date, I am sure.

Sincerely yours,

Secretary to Dr. Forrest C. Allen.

March 3, 1941

Mr. J. Craig Ruby
Hall Brothers, Inc.
Kansas City, Missouri

Dear Mr. Ruby:

I acknowledge receipt of your letter of February 26th regarding four tickets for our game with Oklahoma A. and M. on March 11th.

I have talked with Mr. Earl Falkenstien, Financial Secretary of the Athletic Association, about the four tickets for you and while he tells me they have nothing but standing room left, if you will send me a check for \$3.15, I will make a very strenuous effort to get the tickets for you.

The 15¢ is for insured return postage. This is to make sure you receive the tickets.

Thank you for your kind words regarding the Lyons Club talk.

Fraternally yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

Dr. Forrest C. Allen
Athletic Department
University of Kansas
Lawrence, Kansas

Dear Phog:

George Williams, his wife, my wife and I would like to attend your game with Oklahoma A & M on March 11. I wonder if you could make a reservation under my name for the four seats. I would attach a check with this letter, but I do not know the exact amount. If your Ticket Department will notify me, I will send a check.

Your talk at the Lyons Club last week was a fine one and I certainly agree with you. If the fathers of the boys who received these scholarships only knew what was being done to their sons, I doubt if they would permit them to accept these scholarships.

I appreciate your kindness and wish you good luck as crucial games come along.

Fraternally,

J. Craig Ruby

Dr. Earl H. Reed,
815 Kansas Avenue,
Topeka, Kansas.

Dear Dr. Reed:

This will acknowledge receipt of your letter of August 20th regarding my registration receipt and my dues. I had your letter of May 28th on my desk and expected to run up and have a personal conversation with you.

I am enclosing a couple of letters from Dean Warner at K.C.O.S. I had thought that since they have asked me to participate in the annual spring post-graduate course that this would perhaps be excuse enough to certify for my registration. I taught that course here at the University this past summer, and having conflicts in my eight weeks of summer school prevented me from making any other required date. For two or three years I have been asked to appear on the national program but have not been able to do so.

I am also enclosing carbon copy of a letter from Dr. R. G. Hulburt to Dr. Julius McBride.

Will you kindly return the file to me after you have finished with it?

I trust that you will be able to certify my registration under these conditions.

Very sincerely yours,

Director of Physical Education and Recreation,

TOPEKA, KANSAS

August 20, 1941.

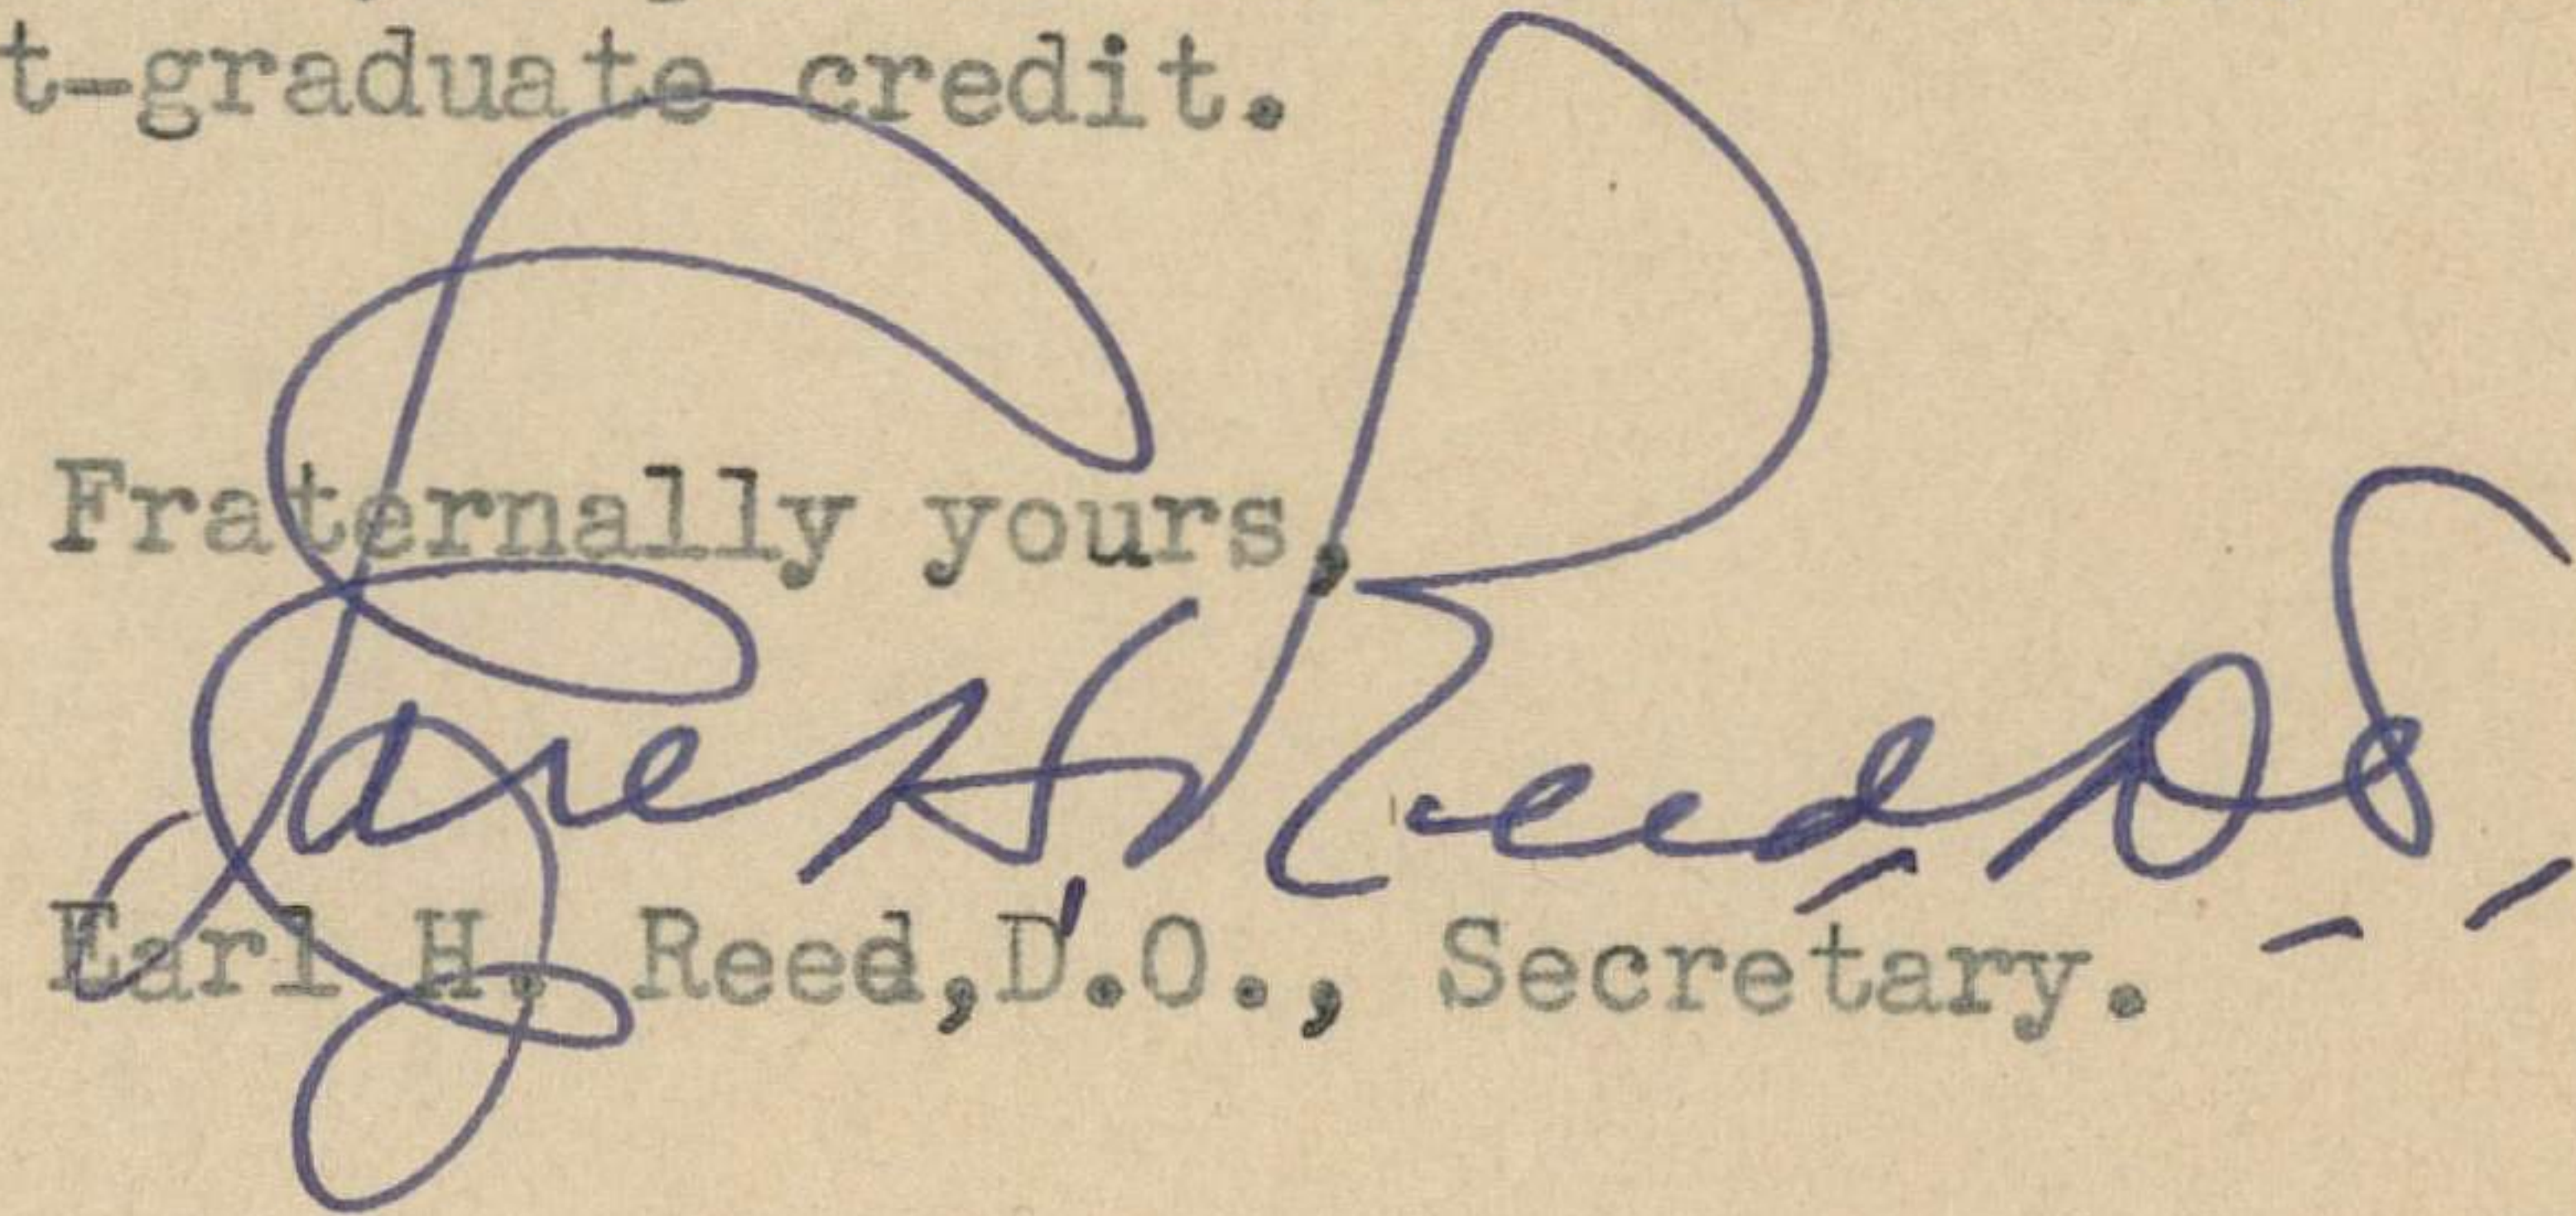

Forrest C. Allen, D.O.,
801 Louisiana St.,
Lawrence, Kansas.

Dear Doctor Allen:

Notices that the Annual Registration fee would be due July 1, 1941, were mailed from this office May 28. Have you forgotten all about sending in the fee and registering your license for the year July 1, 1941 to July 1, 1942?

Before you forget it again will you please mail this office the fee along with your post-graduate credit.

Fraternally yours,

Earl H. Reed, D.O., Secretary.

There is no record of your post-graduate requirement for this year, on file in this office. Please furnish same with your \$5.00 remittance.

STATE OF KANSAS

BOARD OF OSTEOPATHIC EXAMINATION
AND REGISTRATION

OFFICE OF SECRETARY
EARL H. REED, D. O.
815 KANSAS AVE.
TOPEKA, KANSAS

May 28, 1941

Dear Doctor:

The Annual Registration Law, passed by the 1937 session of the Kansas Legislature, provides that every osteopathic physician legally licensed to practice osteopathy in the state of Kansas shall, on or before the first day of July each year, pay to the Secretary of the Kansas State Board of Osteopathic Examination and Registration, a fee of five dollars (\$5.00), for the renewal of his license to practice in Kansas; and furnish satisfactory evidence of having completed the post-graduate requirements.

If you have neglected to obtain the post-graduate credits earlier in the year, you still have the opportunity to qualify by attending the A.O.A. Convention in Atlantic City, New Jersey, June 23-24-25-26-27, 1941, or one of the courses offered by the Osteopathic Colleges immediately after the close of the present school year. YOUR POST-GRADUATE REQUIREMENT IS NECESSARY. DO NOT FAIL TO OBTAIN IT.

Please use the enclosed yellow card in making your remittance. Make all checks payable to: THE KANSAS STATE BOARD OF OSTEOPATHIC EXAMINATION AND REGISTRATION, Earl H. Reed, D.O., Secretary.

Fraternally yours,

Earl H. Reed, D.O., Secretary.

October 2, 1941.

Mr. Adolph Rupp,
Basketball Coach,
University of Kentucky,
Lexington, Kentucky.

Dear Adolph:

Thank you very much for sending me your letter regarding Hallie Hudson. I appreciate your kindness in writing, but since we have out of state tuition, which is treble that of our local tuition, there is no way that we have of handling such a young man. We do not even have scholarships, nor do we have lucrative jobs that would enable him to make more than \$20.00 a month.

The authorities here figure that that is all any boy can work and still carry a full load of academic subjects.

I am sorry that this young man became ineligible for you by playing one year at T.P.I.

Again thanking you and wishing you every success,
I am

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

UNIVERSITY

OF KENTUCKY

LEXINGTON

DEPARTMENT OF ATHLETICS

September
Thirtieth
1941

Dr. Forrest C. Allen
Director of Physical Education
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I am writing you about a boy, Hallie Hudson, who is enrolled here at the University.

He came in yesterday and told us that he had enrolled at T.P.I. last year and has played in several freshmen games. That, of course, makes him ineligible to play in our Conference. We have a ruling here in our Conference that if a boy has matriculated in any other institution and has participated in one game he is ineligible to participate in a Southeastern Conference school.

I have followed this boy with a great deal of interest and picked him up in an N. Y. A. camp at McKenzie, Tenn. He is six feet, five inches tall and weighs 188 pounds, stripped. He comes from a family that is very poor and he has no means of attending school whatever. Since we have scholarships here in basketball we thought enough of his ability to offer him a freshman scholarship. He has unusual ability and I felt he would make us an outstanding center. He has played a lot of ball and he is a boy of unusually fine habits. He passed our entrance examinations here in good shape and I do not believe that he would ever give you any trouble in regard to his studies.

Is there any way that you could use him at all? I am interested in sending him to you as he requested me to write this letter and I also feel that I would like to send you someone sometime that might do you some good. Naturally, if this boy were eligible to play here I would have kept him. I would appreciate hearing from you as he would be interested in enrolling there the second semester. I understand your register has closed for the first semester.

Sincerely yours,

Adolph F. Rupp

December 12, 1940

Coach Roland E. Reed
Easthampton High School
Easthampton, Massachusetts

Dear Coach Reed:

I am sorry that I cannot help you in your desire for a warmer gymnasium. I like a 60° temperature in the dressing room because it makes the boys hustle. If you make it too warm they loaf around and get groggy. Certainly a 62° gym suits me just fine. That is the temperature of my gym, or maybe even colder.

We use warm-up clothes and I have a towel put around each player's neck when they are taken out of any game and have them wrapped up in their sweat clothes. Personally I do not want much heat in the gym.

I wish I might help you, but these are my convictions.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

FCA:lg

Easthampton High School
Easthampton, Mass.
December 6, 1940

Coach Phog Allen
Kansas College
Kansas City, Kansas

Dear Sir:

I would like to get your reactions in regard to ideal temperature conditions under which basketball practices should be held.

My basketball practices are of the scrimmage variety and players are withdrawn and replaced intermittantly. The players not participating are inactive.

Will you please give me your ideas in regard to temperature during games and also in the dressing room.

I should like reasons as I intend to quote you as authority in convincing my school committee that I need more heat in my gymnasium and dressing room. The average temperature in my gym is now 62 degrees and in my dressing room 60.

Yours very truly,

Roland E. Peck
Coach
