Dear Doc:

Porter has been very prompt in sending out a preliminary statement on the rules changes that were effected at our meeting in Chicago. Because of this advance notice, I rather imagine you will not care to have a copy of the changes from me since they would be a duplicate in every respect. I just wanted you to know however, that I had not forgotten your request.

I had a very pleasant trip home, was stuck in the snow a couple of times and in the end it got rather tiresome because driving a new car was rather slow work.

With best wishes, I am

Very cordially yours,

  
John W. Bunn
