Dear Dr. Allen:

When Mr. Raport left last spring he talked of the possibility to me that you might be able to work something out for me with your fencing classes. Jim said he would speak to you himself before he left.

Jim had me assist him with most of his fencing classes last year and I really enjoyed it. This summer I am handling the fencing at this camp and am getting much more experience. So, I feel qualified to fit into your fencing program in many ways that you find fit. I have had experience in teaching all three weapons; foil, sabre, and epee.

My classification will be a junior and I am living at Lawrence with my aunt, Miss Kathleen Doering of the Entomology Dept, whom you probably know.

Mr. Cheley at this camp would gladly recommend me and Jim Raport would also tell you anything more about me that you wish to know.

Sincerely yours,
