Mr. Bob Raugh  
Colby, Kansas

Dear Bob:

We received word from Henry Shenk that he will come to fill the place vacated by our Mr. Bert DeGroot. We're not definitely certain as to how we will fill the other place; whether with graduate students or a full time man. However, I felt that I should write you and let you know what progress we are making.

I talked to Vic Hurt about the possibility of your working in the Athletic Department but it seems as if there is no definite understanding. I took from him that he suggested you take it up with Coach Henry. Coach Henry is out of town on a fishing trip. I'm writing you to see if you had a conversation with Coach Henry before he left town and while you were in Lawrence.

I believe that we could work out something favorable to you in our department if you could make arrangements for the additional income you spoke about. Won't you write me and let me know the status of things at present?

Trusting that you have a very pleasant summer, I am,

Sincerely yours,

Director of Physical Education and  
Recreation-Varsity Basketball and  
Baseball Coach.
