Rogersville, Missouri

April 9, 1941

Dr. "Phog" Allen
Kansas University
Lawrence, Kansas

Dear Dr. Allen:

To me has been delegated the task of drawing up a constitution for the alumni lettermen's association for Springfield State Teachers College. I am sure that Kansas has some such organization with a printed constitution or set of by-laws. I will appreciate very much receiving a copy of the same.

Congratulations upon your winning basketball team this year!

Sincerely yours,

George Riley
