Mr. Julian E. Ralston
Attorney at Law
Brown Building
Wichita, Kansas

Dear Julian:

Thanks for your good letter of Thursday, January 23.
We are coming down Sunday morning and stopping at the Allis Hotel.

I want to assure you that we recognize the danger that confronts us when we play Wichita University. I know it is their big game of the season and we will have a battle on our hands. However, there is one thing sure, we are not going down there to play marbles, and I trust the boys realize it.

I believe the morale of our team will be sufficient to give the boys a good battle, and the whole outfit are not going all Engleman just because the newspapers say that we have a one-man team. We have not. All five boys are playing on this gang and they are playing their hearts out, but we do not have much man-power.

With all good wishes and anticipating the pleasure of seeing you and yours, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach
