Mr. Milton Kelley,  
Trainer,  
Athletic Association,  
University of Texas,  
Austin, Texas.

Dear Milton:

We are in need of one and one-half dozen Kelley Knee Pads, and we want some with fresh elastic in the back. I thought perhaps if we ordered direct from you the Kelley family would get 100% profit, instead of sharing it with a "middleman". You will, of course, receive the requisition from our Athletic Association.

When we order knee pads from Spaldings usually the elastic is old.

Our first game is on Tuesday, December 5th, with Oklahoma A. and M., and we would appreciate your very early attention as we want the new knee pads for this game.

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
