POLO

This year marked Culver's entry into the Metropolitan Indoor Polo league in Chicago where the cadets have been playing to packed houses throughout the season. The team, composed of Silberberg, Rubio, and Captain Day, all seniors, has been presenting a consistent brand of riding and stickwork, winning so far this season nine of the thirteen games played. Two of the wins have been in Metropolitan league play, while the others have been registered over national guard and private polo clubs throughout the Middle West.

After winning the first two games against Franklin Polo Club and the Chicago Greentrees, the team lost to Kenyon College by a score of 15-16, after spotting the collegians two goals by handicap. Following this game by a win over Fort Sheridan and a loss to the Cincinnati Polo club in Cincinnati at the beginning of the Christmas furlough, Culver won five straight games before losing the first Metropolitan league game to Olympia Fields by a score of 9-5. A win over the Salem, O., club and a loss to the Redlegs, another league team, complete the play at this time.

Several more games remain to be played, including the 122 Field Artillery trio from Chicago, two games with Michigan State College, and possibly the University of Alabama.

The Polo Team

Carlos Rubio, 1937 Captain, leads the scoring to date with sixty goals, while Marcus Day and Dick Silberberg have scored fifty-four and thirty-three goals, respectively.

GYMNASIUM

Early in March the gymnasium team, directed by Coach Scanlan, was extended an invitation to participate in a special gymnasium exhibition held at the Valparaiso high school. Other teams on the program included the University of Chicago, and high school squads from Valparaiso, Hammond, Mishawaka, and Winamac. The team, composed of Fitzpatrick, McDonald, Black, Liskow, McMurrey, Boles, and Dean, bids fair to be one of the best in cadet history. Specializing in tumbling and work on the parallel bars, the cadets have been active all season, giving entertaining exhibitions at other athletic events. Their work will be climaxed by a special exhibition at Easter.

With winter sports out of the way, the spring squads are getting off to a good start with large squads seeking berths on the baseball, tennis, golf, and track teams, and on the varsity crew.

Charles Kasik of Milwaukee, Wisc., Class of 1935, was recently elected Captain of the Duke University Boxing Team. Kasik was Captain of the boxing team his senior year at Culver and was awarded the Van Urk Medal for Boxing. He was a Lieutenant in the Black Horse Troop, Editor of the Vedette and Sports Editor of the Roll Call.
